About Us

Godson Infratech is dedicated to creating modern, well-planned homes and commercial spaces that bring comfort, trust, and long-term value. Starting from Nautanwa and now expanding to Gorakhpur, we build with a focus on quality construction, legal transparency, and customer satisfaction. Guided by our core values—Trust, Transparency, and Commitment—we deliver projects that are modern, secure, and designed for future generations.

Why Choose Us?

At Godson Grand City, we create homes that blend comfort, quality, and modern living. Our row houses feature superior construction, Vastu-friendly layouts, and thoughtfully designed interiors for a perfect balance of elegance and functionality. With fully furnished spaces, secure surroundings, and a prime location in Nautanwa, we offer a lifestyle of convenience and peace. Our transparent process and timely delivery make us a trusted choice for families seeking affordable luxury and long-term value.
